When you want to get a firm understanding of God's grace, where do you start? You could consult your concordance for every appearance of "grace" in the Bible. But what about those Scripture passages that don't use the word grace, yet are vital to understanding it? Reach for the NIV Compact Nave's Topical Bible. It broadens your scope beyond word-searches to topical studies. Now you're ready to deal not just with key words, but with concepts. Based on the award-winning Zondervan NIV Nave's Topical Bible, this compact edition omits biblical text while retaining virtually all of its topical muscle. All the entries are here, all the reference, all the definitions and notes. And like its full-sized counterpart, the NIV Compact Nave's Topical Bible improves on the original, King James Version-based Nave's Topical Bible by adding more than 500 headings, 2,000 subtopics, and 1,300 cross-references. You'll find entries addressing contemporary issues such as abuse, ecology, homosexuality, and abortion -- all keyed to the best-selling New International Version, and easily usable with translations as well. So when you're ready to dig deeper into the Scriptures, it's time to add this book to your library. Its thoroughness will bring new dimensions to your Bible studies, and its portable size makes it easy to use any time, anywhere. Keep the whole set within reach on your desktop. Grab a volume or two volumes and take them with you anywhere. Each NIV Compact book packs a lot of information in a small package ? one that fits where other books won't and travels light when larger volumes tip the scales. And the price is as compact as the size ? but don't let the modest cost fool you. There's a lot of knowledge here, condensed to provide the most salient information in an efficient format. For a hand-sized reference library that does more than scratch the surface, this 4-volume series is the route to take: big on insight, small in size, and easy on the pocketbook.
