Prepper's SHTF Stockpile

You know it is important that you start building up a stockpile of goods that will sustain you should disaster ever strike and send the world reeling. Natural disaster, financial uncertainty, civil unrest and acts of terrorism are just some of the things that threaten to turn the world as we know it upside down. We never know what tomorrow holds. With so many possible scenarios, it is a good idea to prepare for anything and everything.

Stockpiling food, water, survival gear and basic medical supplies gives you the best shot of living through a catastrophe. Many disasters over the years have claimed the lives of thousands of people. In many cases, it wasn't the actual disaster that killed people, it was the aftermath and utter lack of preparation. Clean water, food and blankets were scarce and people died or succumbed to their injuries because of a lack of supplies. Don't become one of the tragic losses.

This book aims to help you come up with a survival plan that will help you live through a disaster by relying on the stockpile of goods you have stashed away. It isn't just a bunch of food and water you need to survive. You also need some basic knowledge about finding and building a shelter should you have to escape your home. There are many facets to surviving a catastrophe. You will find many survival books focus only on food and water, but don't take into the possibility you may have to flee your stockpile and leave it all behind. This book will cover every eventuality and help you prepare for sheltering in place or fleeing and heading for the hills. Don't put off planning for your survival another day. Start making your plans with the help of this book.

In this fully illustrated book you will;

- Learn The Basics Of Disaster Survival
- Learn How To Ensure You Have Enough Food In The Event Of A Disaster

- Learn How Ensure You Have Enough Water In The Event Of A Disaster
- Learn About Obtaining Shelter And Other Important Essentials
- Learn About Assembling The Ultimate First Aid Kit
- Learn How To Deal With Pets In A Disaster Situation
- Much, Much More

Readers say.....

"The information in this book is helpful and really gets you to thinking about being better prepared for natural disasters. I found this book to be a good check list for items you need to always have on hand that will be needed in any situation. Not only do you get a list of many things but you also get an explanation on why you need them. I read some of the items and wondered why I would need them until I read further and the information made sense. Great Guide!"..... E.C

"I was very please upon reading this book. This book goes over the essentials you need in a survival situation. Food, clothing, shelter, water. It helps to be prepared. Even if I am never in this situation it gave me peace of mind knowing what me and my family need to do should that situation ever arise. This book goes over medical, money and optical items as well"Yukie Davidson

"It's best to always be ready. It doesn't mean that you are hoping or expecting a disaster to happen but just in case anything really does happen, you are ready to face it and minimize the casualty that it can possible bring. This book gives us tips and strategies on how to prepare to survive. It covers what to food and how much water to stock, ensuring shelter, assembling the first aid kit and dealing with pets during a disastrous situation. Thumbs up for this book!"Daphne Hann
