The Time Machine (Diversions Classics) H.G. Wells

H.G. Wells takes us on a thrilling journey from the nineteenth century to 802,701 A.D., where his protagonist, the Time Traveller, finds himself in the midst of a war between two halves of the future human race. When his time machine goes missing, he will stop at nothing to return to his own time. One of most well-known works of science fiction, THE TIME MACHINE is both a societal critique and a page-turning adventure.

Featuring an appendix of discussion questions, the Diversions Classics edition is ideal for use in the classroom.
