Tiger's Claw

Dale Brown

Tiger's Claw Dale Brown

Former Air Force captain and *New York Times* bestselling author Dale Brown is an acknowledged master when it comes to bringing military action to breathtaking life and he has received glowing accolades since his debut publication, *Flight of the Old Dog*.

Tiger's Claw proves once again that every rave has been well deserved. Set in the near future, *Tiger's Claw* imagines a scenario in which tensions escalate between an economically powerful China and a United States weakened by a massive economic downfall, bringing the two superpowers to the brink of total destruction. Brown's popular protagonist, retired Air Force lieutenant-general Patrick McLanahan (of *A Time for Patriots, Rogue Forces*, and other Brown bestsellers), is back and preparing for the impending apocalyptic clash of men and military technology.

The incomparable Dale Brown scores again with a frighteningly possible story of war and global politics that's ideal for fans of Vince Flynn and Brad Thor.
