Collaborative Practice: Deepening the Dialogue Nancy J. Cameron

Collaborative Practice: Deepening the Dialogue is the road map for family lawyers making the journey from traditional litigation to collaborative practice. A leader in the collaborative law movement, Nancy Cameron has written an essential resource for professionals who are practicing in or who are making the change to collaborative family practice. In a thoughtful, humourous, and concise manner, Nancy Cameron scrutinizes the landscape of traditional litigation-based family practice, and provides guidance on how to rethink personal and professional values, to develop the new skills required in a collaborative practice, and to set up an interdisciplinary collaborative family practice. She "deepens the dialogue" by raising some of the complex issues and challenges faced by collaborative practitioners.
