SODIUM:1 Harbinger Stephen Arseneault

The first thriller in the **SODIUM** series. In 1957, a group of wilderness adventurers are confronted with the unexpected. They are forced to defend themselves against an unworldly enemy. Will man's first encounter with aliens force them to run or will they stand and fight? Follow along as the unwitting group determines their own fate.

Also available from this author:

SODIUM Series

A six-book series that takes Man from his first encounter with aliens all the way to a fight for our all-out survival. Do we have what it takes to rule the galaxy?

AMP Series

Cast a thousand years into the future beyond SODIUM. This eight-book series chronicles the struggles of Don Grange, a simple package deliveryman, who is thrust into an unimaginable role in the fight against our enemies. Can we win peace and freedom after a thousand years of war?

OMEGA Series

Cast a thousand years into the future beyond AMP. The Alliance is crumbling. When corruption and politics threaten to throw the allied galaxies into chaos, Knog Beutcher gets caught in the middle. Follow along as our hero is thrust into roles that he never expected or sought. Espionage, intrigue, political assassinations, rebellions and full-on revolutions, they are all coming to Knog Beutcher's world!

HADRON Series

HADRON is a modern day story unrelated to the SODIUM-AMP-OMEGA trilogy series. After scientists using the Large Hadron Collider discover dark matter, the world is plunged into chaos. Massive waves of electromagnetic interference take out all grid power and forms of communication the world over. Cities go dark, food and water supplies are quickly used up, and marauders rule the highways. One group of citizens takes a stand. Can they make a difference? And the devastating EM waves, where are they coming from? After months of starvation, a benevolent species arrive in their spaceships to rescue the Human race. Only, are they really so benevolent?
