FROM THE FEAR OF VODOO TO THE FEAR OF GOD--Revised Edition Frantz Michel

Voodoo is all around us, spreading its deception in the lives of Christians and non-Christians alike. Many people are under the mistaken belief that it is a Christian religion, since more than 75% of its followers are also Catholics. They teach others that Voodoo is a means to God. But those with knowledge of that religion know that the opposite is, in fact, true; the voodoo priests and many practitioners are working for Lucifer and are blinded by the false promises of the devil. After being exposed to Voodoo for more than 20 years, Frantz Michel author of “Can God Save Haiti?” learned the truth of the ungodliness and deception therein. In his chef-d’oeuvre, *From the Fear of Voodoo to the Fear of God*, Michel submits some of his personal experiences and those of his family members and friends in the hope that they will help readers to overcome the fear of voodoo and answer to the calling of God upon their lives. Michel says, “Fear of Voodoo is cocky and ruthless, it herds us into a prison of unlocked doors where seemingly none can get out; but I am showing you how to walk out.” Here’s what others are saying about this book: “Frantz Michel’s book, ‘From The Fear of Voodoo To The Fear of God’ is a powerhouse of a book, that should be in every Christian’s library. What I love about it is from the outset; this is a bold and honest book! Author Michel does not mince words here. He calls evil by its name and backs it up with scripture. The author knows his subject well... Speaking from the heart and providing a wealth of information about a subject many seem to think it’s as harmless as an Ouija board. Voodoo is nothing to play with, and the author provides personal insight to its dangers. If you were ever in question about Voodoo, Frantz Michel can set you straight. Praise for ‘From The Fear of Voodoo to The Fear of God’ for not being afraid to write the truth! --Thomas Amo, Published Author & Internationally Produced Playwright From some of the practices of Voodoo, like the more well-known and celebrated Zombie to the less known marriages and day to day rituals, the author sheds light on what can only be considered a dark art. Rife with insight, Biblical Passages and fact based History – this is a book that any Faithful should read, and quite a few non-Faithful as well. --Heather G., Reviewer
