**Timothy Keller with his most provocative and illuminating message yet.**

It is commonly thought in secular society that the Bible is one of the greatest hindrances to doing justice. Isn't it full of regressive views? Didn't it condone slavery? Why look to the Bible for guidance on how to have a more just society? But Timothy Keller challenges these preconceived beliefs and presents the Bible as a fundamental source for promoting justice and compassion for those in need. In *Generous Justice*, he explores a life of justice empowered by an experience of grace: a generous, gracious justice. This book offers readers a new understanding of modern justice and human rights that will resonate with both the faithful and the skeptical.
