From Student to Professor: Translating a Graduate Degree into a Career in Academia Carol A. Mullen

From Student to Professor is the doorway through which readers experience graduate school life, from both sides of the lectern. This guide not only discusses how students may adjust and succeed in graduate school; it also prepares them to enter a career in academia.

Providing a broad perspective on the professoriate, Mullen offers readers a visual map of the entire graduate school experience, navigational prompts, case studies, anecdotes, glossaries, and updated resources in order to best understand vital issues that affect graduate students and professors: learning productively within groups, developing effective marketing and networking strategies, creating successful student-centered programs, and establishing digital learning relationships in the academy.
