Patti Smith's Horses (33 1/3)

Philip Shaw

Patti Smith's Horses (33 1/3) Philip Shaw

Described as the perfect fusion of poetry and garage band rock and roll (the original concept was "rock and Rimbaud"), *Horses* belongs as much to the world of literary and cultural criticism as it does to the realm of musicology. While *Horses* pays homage to the record's origins in the nascent New York punk scene, the book's core lies in a detailed analysis of Patti Smith's lyrics and includes discussions of lyrical preoccupations: love, sex, gender, death, dreams, god, metamorphosis, intoxication, apocalypse and transcendence. Philip shaw demonstrates how *Horses* transformed the possibilities of both poetry and rock music; and how it achieved nothing less than a complete and systematic derangement of the senses.
