The Little Dragon Gospel: How Bruce Lee Shaped My Ministry (Dojo Discussions Book 1) JM Smith
Bruce Lee is a pop-culture icon who single-handedly changed the Hollywood landscape forever and brought martial arts to mainstream American audiences.

He was also one of the greatest minds in martial arts history and has been called "the Father of MMA" by UFC President Dana White due to his emphasis on cross-discipline training and his rejection of the impractical aspects of classical martial arts styles.

But what does any of this have to do with Christian discipleship or theological study??

Actually...a lot!

In this Dojo Discussion, author, artist and Bible teacher JM Smith takes readers through his discovery of Bruce Lee's teachings and martial arts philosophy and explores the impact it has had (and continues to have) on his own ministry and theological reflection.

Truth is can often be found in the most unlikely places...even in the writings of an agnostic martial artist movie star from Hong Kong in the early 1970s!

"Dojo Discussions" is a series of short eBooks adapted from various articles and posts which initially appeared on the Disciple Dojo blog (<http://jmsmith.org/blog>).
