A Gospel for Liberals: Considering the Historical Jesus in Light of Today's Most Controversial Social Issues Todd F. Eklof

A Gospel for Liberals explores the life and teachings of Jesus in context with the social, political, and economic circumstances of his day, leaving us with a convincing portrayal of him as a progressive activist who was eventually executed for this very reason. It's a refreshing and brazen exegesis of the liberating truths of the historical Jesus, yet presents him as nothing more than an ordinary human being whose profound teachings still hold practical meaning for us today. A Gospel for Liberals culminates with an enlightening new Gospel account that for the first time ever enables the modern reader to experience how the story would have impacted those who first heard it 2000 years ago, yet makes this timeless prophet a continuing inspiration for today's social reformers. A Gospel for Liberals finally says what progressives have known all along-Jesus was one of us!
