Henry Stehle:

As a student, I often feel bored when I am not able to read. If their teacher expected them to go to the library or to make a summary for some book, they are complained. Just little students that have reading's internal or real

their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
