**New Girl in Town (Cedar River Daydreams #1)** Judy Baer

Her family had moved, and Alexis Leighton never dreamed it would be so difficult to make new friends. Back in her home town, Lexi had been constantly going out and doing things, but here no one seems to care about her at all.

Finally a date with the most sought-after guy in town! Lexi gets a big boost until she discovers how shallow and self-centered he is.

At Cedar River High there's the Hi-Five, a group of "in" girls which she'd love to join. But she discovers their standards don't include any with "imperfections," like a handicapped brother.

And yet she is so lonely maybe if they didn't find out until after they got to know her better-?
