## **Predictions for 2015** Kurt B. Bakley

Predictions for 2015 Will on August 10, 2015, plus or minus three days, or July- August or August 28-29, September 7-8, 19, 26-27, October 15 of 2015-2018 and/or January of 2019 a very great earthquake and/or volcano eruption or a comet or asteroid impact happens off the West Coast of Africa and causes a 100 to 2,500-3000 feet high or more tidal waves to head right for Florida and completely or partially destroys Florida? Will the smoke and ash of the eruption or dust from the great comet-asteroid drift over the Atlantic Ocean to cover the sun, moon and stars day and night over a third of the southern U.S. or the whole U.S. Does that cause the crops to fail, which will cause great famines? Are the three woes that Revelation 8:13 predicts three earthquakes, great tidal waves and/or volcano eruptions at this time or from 2013 to 2019? And are God's two great witnesses of Revelation chapter 11, who are Billy Graham and Pat Robertson, die by this time, or during this time? Will one woman or many women and men be save from a tidal wave due to this book? The ancient prophecies also predict troubles with Iran, Israel, Turkey, Italy, Iraq and the U.S. at these times. The "half an hour" of Revelation 8:1, the same chapter as the three woes, predicts a half of a seven year period to begin. Half of seven years is three and a half years or 1260 days, time, times, and a half and 42 months. Counting backwards from January 21, 2019 equals August 10, 2015, plus or minus three days. This book was written by November 11, 2011.
