## **The Last Day of Summer: Photographs by Jock Sturges** Jock Sturges

In 1990, the FBI entered Sturges's studio and seized his work, claiming violation of child pornography laws. Citizens, artists, and the media responded with outrage. *With The Last Day of Summer*, Aperture accords Sturges's vision the dignity and respect it so richly deserves.

"In the 58 images of this handsome... monograph, Sturges sustains a delicate balance on a very precarious wire... His struggle is to observe and render his subjects in all of their complexities, trembling on the cusp of change. The result of this long-term, communal effort is one of the most clear-eyed, responsible investigations of puberty and the emergence of sexuality in the medium's history, making a metaphor of the metamorphosis from child to adult." --A. D. Coleman, *The New York Observer*
