The Ship of Fools

Sebastian Brant

The Ship of Fools Sebastian Brant

Retaining the original rhyme scheme and meter, this is the definitive English language edition available of the influential 1494 allegorical classic, a sweeping satire of weaknesses, vices, and grotesqueries of the day. Includes 114 Renaissance woodcuts, Brant's annotations, a biography of the author, a publishing history, and a survey of the work's influence.

From reader reviews:

Colleen Thompson:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, exactly what the best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for every single other. Don't to be compelled someone or something that they don't wish do that. You must know how great in addition to important the book The Ship of Fools. All type of book would you see on many resources. You can look for the internet methods or other social media.

Richard Crowe:

This The Ship of Fools usually are reliable for you who want to become a successful person, why. The key reason why of this The Ship of Fools can be one of the great books you must have is giving you more than just simple reading through food but feed you actually with information that perhaps will shock your earlier knowledge. This book is usually handy, you can bring it all over the place and whenever your conditions throughout the e-book and printed ones. Beside that this The Ship of Fools giving you an enormous of experience such as rich vocabulary, giving you trial run of critical thinking that could it useful in your day action. So , let's have it and luxuriate in reading.

Jack Godina:

You could spend your free time to read this book this book. This The Ship of Fools is simple to develop you can read it in the playground, in the beach, train as well as soon. If you did not have got much space to bring the actual printed book, you can buy typically the e-book. It is make you better to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Betty Jordan:

What is your hobby? Have you heard that will question when you got pupils? We believe that that query was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you also know that little person just like reading or as reading through become their hobby. You need to know that reading is very important along with book as to be the thing. Book is important thing to add you knowledge, except your personal teacher or lecturer. You see good news or update about something by book. Numerous books that can you go onto be your object. One of them is actually The Ship of Fools.
