What I Remember of Vietnam I Tried To Forget Art Munoz

This book is about, what I REMEMBER OF MY TIME IN VIETNAM, that I tried to forget. These stories are things that stuck in my head, they come back in dreams. Da'jua'vu or flash backs. That's why, there's not much of a beginning, or full ending, to these memories. These are true stories of my experiences in Vietnam, things a lot of people don't want to hear, or know about, because the U.S.A. (or we don't do that) but they happened. I want people to know about this WAR, as most of us Vets knew it, so when our men come back from Iraq, they won't be judged and treated like us, the Vietnam VETS. War is HELL! If you weren't in one, thank GOD you weren't, and let GOD do the judging.
