From Dream to Dream Come True: My Journey to Motherhood Brittany Anne Ferrell

The story of my long and heartrending road to motherhood has been featured in a national magazine, the local news, and a medical publication. But, this is the whole story, in my own words. I battled cancer, infertility, and the most gut wrenching loss one can imagine. I fought my way back from crippling grief and depression. After years of struggle, my desperate wish to become a mother was finally granted in a most unexpected way. This is a story about having a dream and rediscovering lost hope. It is about beating the odds and realizing that miracles do exist. This is the tale of my dream...to dream come true.
