Starting each morning with God is a must. Studying the Holy Word and talking to God everyday can change your life. I set my alarm atleast 30 minutes early every day to allow time with God. Keeping a prayer journal helps me to focus on my prayer, crying out to God with an honest heart. God longs to hear from us. I started writing devotions to help me cope with difficult times and before I knew it, I set a goal of 365. Each of these devotions were revealed to me from God as we spent time together every morning and throughout the day. I hope these words will bless you as much as they have blessed me.
