She's unforgettable...and that's exactly what got him into trouble the first time.

The Bradfords, Book 5

As a paramedic in the busiest ER in the city, Kevin Campbell knows there's no such thing as a typical night—but this one definitely has them all beat.

His dad's been stabbed with a fork, his mom's been in a fight, and it's all because of a younger half-brother he never knew existed. And if *that's* not enough, everyone seems to agree that Kevin should take the boy in for the six months during his mom's rehab. Oh, and the annulment he thought he got fourteen years ago? Never went through.

It's really too bad he gave up drinking and swearing.

Eve Donnelly is shocked to see Kevin again, but not surprised they're still married. After all, she was the one who refused to sign the annulment papers. Now that she's got Kevin back in her life, nothing else matters. Not even her past fourteen less-than-virtuous years. In fact, the truth about her life without Kevin isn't even worth bringing up. She hopes.

When Eve offers to help Kevin with his younger brother, a sweet, devout preacher's daughter seems like an answered prayer. Besides, things can't get more complicated. Can they?

Warning: Contains a bad boy gone good, a good girl who knows all about being bad, and lots of hot, sweet, so-this-is-how-married-couples-do-it sex.
