Looking for Spanish Novels?

I know how tough it is to start learning a new language. You don't usually have a large vocabulary or any knowledge of grammar. You'd like to go right to the fun stuff, but maybe it's too hard for you now. A typical beginner's Spanish reader isn't interesting or just plain boring. **But this book is not like that.**

Learning with *Spanish Novels* is easy and straightforward. Forget about difficult long texts with English-translations. This beginner Spanish book is not like that. It will take you to the next level in less time. That means less effort and struggling towards your way to fluency in Spanish. And you'll have a great time as well.

An Easy Spanish Book Both Fun & Easy

Ana, estudiante is the first book of the Spanish Novels Series. This Spanish reader is packed with useful expressions you need in everyday situations: greetings, buying things, talking to friends, etc. Anyone who already knows the basics of the Spanish language is ready to read this book. I assume you have a general knowledge of personal pronouns, articles, and some common verbs/nouns in Spanish. Actually, the only verb tense you need to know is simple present.

A funny story about love and friendship. A girl who studies Psychology at the University, falls in love with her teacher, prepares exams, and goes out with friends. The action takes place in Buenos Aires, Argentina, so you'll be exposed to real argentinian slang. At the same time, this easy Spanish book will show you the most used grammar structures in different situations. As the difficulty level is just right you will learn and enjoy it at the same time. There's no doubt about it: A beginner Spanish book is the perfect place to start practicing the language.
