“The path of the righteous is like the first gleam of dawn, shining ever brighter till the full light of day.”  
—Proverbs 4:18, NKJV

Solomon says in Proverbs 4:18 that we can expect an *increase* in enlightenment and an *expansion* of understanding as we approach the last days.

That is Charles P. Schmitt’s position as he presents a fresh scrutiny of Old and New Testament prophetic scriptures in the light of today’s world events. He traces not only the conflict between Israel and the Arab world but also their amazing last-days promises of restoration. At all times he underscores the primary backdrop for any Christian view of the last days: worldwide evangelism before the end comes.

*Are These the Last Days?* will graciously challenge your status quo understanding of end-time prophecies and enable you, as Solomon said, to see this subject in an “ever brighter” light.
