## **Legal Information: (How to Find It, How to Use It)** Kent C. Olson

Now, at last, there is a comprehensive and readable guide designed to help librarians, scholars, and the general public quickly find the legal information they need. While most legal research books focus on the needs of beginning law students or litigants, *Legal Information* takes a broader view of the law, including its value in other disciplines. It explains why legal information exists in certain formats, and describes how to get the most out of the major legal reference tools. It also suggests the best sources for different kinds of information and explains how these resources compare to other available materials.
