In January of 2010, a wide-eyed English grad went from peddling software in NYC to understudying the lead role in *Wicked* the musical -- her first professional theater gig (ever). *Unnaturally Green* is the humorous account of the entire journey, from her pit-stain-filled audition to the bittersweet closing night.

Author Felicia Ricci wears her heart on her sleeve as she tackles the role of Elphaba, *Wicked*'s green-skinned heroine. She leaps countless hurdles, both professional and personal: conquering the "Songs of Death," weathering a trans-continental "Week I Didn't Poop," enduring the artistic limbo of understudying, and -- worst of all! -- meeting the man of her dreams. And all the while learning, time and again, what it means to be "green."

Hop into the mind of an over-sharer as she discovers Broadway's *Man Behind the Curtain* -- and the thrill and terror of personal growth.
