Anatomy & Physiology for Speech, Language, and Hearing, 5th (includes Anatesse Software Printed Access Card) J. Anthony Seikel, Douglas W. King, David G. Drumright

ANATOMY AND PHYSIOLOGY FOR SPEECH, LANGUAGE, AND HEARING, Fifth Edition, provides a solid foundation in anatomical and physiological principles relevant to communication sciences and disorders. Ideal for speech-language pathology and audiology students, as well as practicing clinicians, the text integrates clinical information with everyday experiences to reveal how anatomy and physiology relate to the speech, language, and hearing systems. Combining comprehensive coverage with abundant, full-color illustrations and a strong practical focus, the text makes complex material approachable even for students with little or no background in anatomy and physiology. Thoroughly updated to reflect current trends, techniques, and best practices, the Fifth Edition of this acclaimed text is supported by innovative Anatesse learning software--now accessible online via PC, Mac, and tablet devices--featuring tutorials, interactive quizzes, and other resources to help students of all learning styles master the material and prepare for professional licensing exams.

Leslie Woodson:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know

that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Anatomy & Physiology for Speech, Language, and Hearing, 5th (includes Anatesse Software Printed Access Card) can make you sense more interested to read.
