**Applied Linguistics and Language Teacher Education** is aimed at applied linguists who are interested in understanding more about the learning of novice teachers in their classes. The 21 studies in this volume provide information on the complexity of novice teachers learning and use of knowledge in a variety of applied linguistics classes such as SLA, Syntax, Pragmatics, Sociolinguistics, Phonetics and Phonology, L2 Reading and Writing, Testing, and Content Based Instruction. These studies were conducted in a variety of contexts, from North and South America to Europe, Asia and Australia, and look at the preparation of teachers of English, Spanish and Chinese.

The book also includes a state-of-the-art summary of research on knowledge acquisition and use which provides applied linguists with a solid basis for developing their ideas about their students learning and use of the knowledge presented in their classes.
