**Aurora Leigh. What the Heart Knows** Elizabeth Barrett Browning

Aurora Leigh, the last masterpiece by Elizabeth Barrett Browning, draws from her own life of a woman making her way independently by her pen, resisting marriage and venturing into the tumult of the years of progressive movements shaking the foundations in Europe. Aurora finds herself able to stand, make her own decisions, and ultimately find happiness. This edition is "Americanized," for readers in the United States, and includes a glossary of words, events, and people's names that are now unfamiliar.
