Immortal Dragon (The Judas Chronicles Book 4) Aiden James

Formerly THE DRAGON COIN

Free of the threat of Viktor Kaslow, William Barrow (aka Judas Iscariot) is tantalizingly close to finally having the life he has dreamed of with Beatrice and Alistair. A life blessed with youthful optimism and renewed companionship—things he once feared were forever lost. But such optimism is short lived. An ancient menace far worse than Kaslow has successfully tracked William and Roderick to Virginia, after hunting the pair for nearly five hundred years. Hailing from the older kingdoms of Europe, this new threat once gained notoriety as the cruelest tyrant in recorded history.

Vlad Tepes.

Better known as Vlad the Impaler, this ruthlessly cruel immortal carries an unquenchable thirst for torture, slavery, and bloodletting—in addition to a longstanding grudge against William and Roderick. Yet, vengeance is not what spurs the wicked vampire to force this reunion. Instead, the lure of eternal youth and freedom from the sun's blistering rays are what pull 'Dracul' from his secluded island castle in the Adriatic Sea.

The vampire's lifeline to immortality is tied to a blood coin—one that William is reluctant to pursue. However, once faced with dire alternatives between long-standing friendships, the welfare of his family, and the threat of bondage upon the entire world, there is no other choice.

Find the Dragon Coin...or pay the ultimate price.

Acclaim for the novels of Aiden James:

"The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. ...Twists, turns, and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year."

--Detra Fitch, Huntress Reviews for "The Devil's Paradise"

"Aiden James has written a deeply psychological, gripping tale that keeps the readers hooked from page one."

--Bookfinds review for "The Forgotten Eden"

"Aiden James writing style flows very easily and I found that "Cades Cove" snowballed into a very gripping tale. Clearly the strengths in the piece were as the spirit's interaction became prevalent with the family... The Indian lore and ceremonies and the flashbacks to Allie Mae's (earthly) demise were very powerful. I think those aspects separated the work from what we've seen before in horror and ghost tales."

--Evelyn Klebert, author of "A Ghost of a Chance" and "Dragonflies"

"Aiden James has a keen eye for detail and an uncanny knack for scaring the hell out of me. We are watching a master at work. "The Raven Mocker" is a nearly perfect thriller. Ghost stories don't get any better than this."

--J.R. Rain, Bestselling author of the "Vampire for Hire" series

"As with the previous titles I have read by this author, I found the author's writing style to be silky smooth and the main plot line to be extremely creative. The fertile imagination of Aiden James definitely knows what today's readers want to see in their stories."

--Detra Fitch, Huntress Reviews for "The Vampires' Last Lover"
