The Edges of the Roman World Marko A. Jankovi

The Edges of the Roman World is a volume consisting of seventeen papers dealing with different approaches to cultural changes that occurred in the context of Roman imperial politics. Papers are mainly focused on societies on the fringes, both social and geographical, and their response to Roman Imperialism. This volume is not a textbook, but rather a collection of different approaches which address the same problem of Roman Imperialism in local contexts. The volume is greatly inspired by the first "Imperialism and Identities at the Edges of the Roman World" conference, held at the Petnica Science Center in 2012.
